

**h2o**  
*just add water*

by [@KseniaAboutEnglish](#)

**LIVEWORKSHEETS**

Read the character descriptions and decide which character you relate to the most. Explain your choice in a few sentences.

**Example:** "I think I am most like Cleo because I can be a bit insecure at times, but I always care about my friends. Also, I don't like taking risks, just like her."

Cleo is **kind, caring,** and sometimes **insecure.** She is **sensitive** and initially struggles with confidence but grows into a **strong** and **independent** person.

Rikki is **rebellious, independent,** and **fearless.** She speaks her mind and doesn't like being told what to do.

Emma is **responsible, disciplined,** and **organized.** She likes to plan things carefully and is very **reliable.**

Lewis is **intelligent, supportive,** and **scientific.** He is always trying to help the girls understand their powers and find logical solutions.

Zane is **arrogant, ambitious,** and sometimes **reckless.** He often acts selfishly but has a caring side deep down.

Fill in the blanks with the correct verb form (Present Simple vs. Present Continuous):

plan      help      turn      look      swim

1. Cleo always \_\_\_\_\_ into a mermaid when she touches water.
2. Right now, Rikki \_\_\_\_\_ in the ocean.
3. Emma always \_\_\_\_\_ things carefully before making a decision.
4. Zane \_\_\_\_\_ for the moon pool at the moment.
5. Lewis usually \_\_\_\_\_ the girls understand their powers.

How do the characters' personalities influence their actions?

Match the words with their definitions.

1 tide

2 full moon

3 enchantment

4 evaporation

5 mermaid

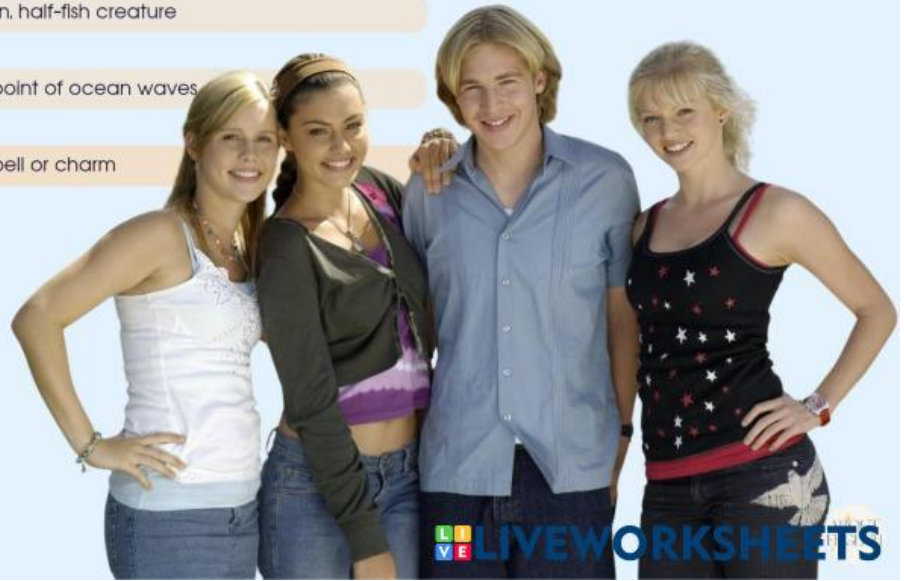

A the phase of the moon when it appears fully illuminated

B the cycle of water turning into vapor

C a half-human, half-fish creature

D the highest point of ocean waves

E a magical spell or charm

Watch a short scene from H2O: Just Add Water (from 15:06 to 15:51), listen to the dialogue and fill in the missing words:

**Cleo** It was orange and covered with \_\_\_\_\_.

**Emma** The minute I hit water...

**Rikki** I was \_\_\_\_\_ for a second.

**Cleo** I was a fish!

**Emma** What's going on?

**Rikki** That's what I wanna know. Is there anyone else here?

**Cleo** No. Dad's at work and my sister and mum are \_\_\_\_\_.

**Emma** OK. What happened to us?

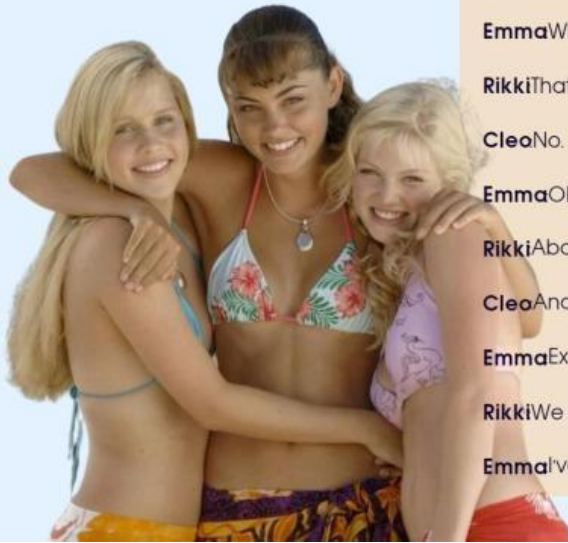

**Rikki** About \_\_\_\_\_ seconds after we touch water, we... We grow these...

**Cleo** And it \_\_\_\_\_ when we're dry. And that the same with you two, right? The tails are like...

**Emma** Exactly like...

**Rikki** We look like... \_\_\_\_\_.

**Emma** I've told you before. You're not funny. Mermaids don't exist. That's just... too weird.

Imagine you discover you have mermaid powers. Write a short story (100–150 words) describing what happens. Include the following details:

- **How** you first discover your powers (Was it a surprise? What did you feel?).
- **What happens** when you touch water for the first time. Do you transform into a mermaid? What does it feel like?
- **How you react** to this new reality (Are you excited? Scared? Confused?).
- **What happens next** (Do you tell anyone? Keep it a secret? Explore your powers?).
