This text is for questions number 4 to 6

My favourite teacher is math teacher. He is a middle aged man with an average built and height. His smile is pleasant. He is intelligent and a master of his subject. This is one quality that impresses all the students. He is much disciplined but not so strict so that the students are not terrified of him. In fact, we feel happy when he is around.

He makes mathematics so easy for all of us that we all enjoy it. We happily wait for his period everyday and feel sad when he is absent.

His personality is wonderful. He usually speaks softly and kindly. He likes to help others. And he really care of his children. He is always ready to listen patiently to the problems of the students for help. So many times he goes out of his ways to help students. All these qualities make him a favourite of not only me but also all the students. I want to be exactly like him when I grow up. I am so proud of being his student

- The text is written to....
 - describe the personality of the writer's math teacher.
 - tell about the physical description of a math teacher.
 - explain the writer's problem about his math teacher.
