STORY SEQUENCING

(Sequencing means arranging the events in the order of how it took place)

Adelia's Busy Day

She had a shower and brushed her teeth.

Adelia packed her bag and left for school.

After school, she went home and played with her cat.

She ate breakfast with her family.

In school, Adelia studied Math and English.

Adelia woke up early in the morning.

She met her friends and walked to class together.

She put on her school uniform.
