

## Vocabulary Ex. > Friendship and Dating

A. Match with lines the word /expressions on the left with their corresponding definition.

- |                                |                                                                                                                      |
|--------------------------------|----------------------------------------------------------------------------------------------------------------------|
| (1) <b>crush</b>               | (a) to support or want two people to be in a romantic relationship.                                                  |
| (2) <b>ship or shipping</b>    | (b) a mutual interest or attraction between two people, often associated with online dating.                         |
| (3) <b>friendzone</b>          | (c) the act of abruptly ending all communication with someone, typically in the context of dating or a relationship. |
| (4) <b>ghosting</b>            | (d) when someone has strong feelings of admiration or affection for another person, often without them knowing.      |
| (5) <b>catfish</b>             | (e) when someone pretends to be someone else online, often for the purpose of starting a romantic relationship.      |
| (6) <b>match</b>               | (f) clever or humorous phrases used to start a conversation with someone you're interested in.                       |
| (7) <b>love at first sight</b> | (g) one person sees another as just a friend rather than a potential romantic partner.                               |
| (8) <b>soulmate</b>            | (h) the immediate, intense attraction one person feels for another upon first meeting.                               |
| (9) <b>infatuation</b>         | (i) someone who has romantic feelings for another person but keeps their identity hidden.                            |
| (10) <b>pick-up lines</b>      | (j) someone believed to be a perfect match or destined romantic partner.                                             |
| (11) <b>forbidden love</b>     | (k) being in an exclusive romantic relationship.                                                                     |
| (12) <b>secret admirer</b>     | (l) an outing or social activity with the intention of getting to know someone romantically.                         |
| (13) <b>date</b>               | (m) when someone/a couple decides to get married.                                                                    |
| (14) <b>going steady</b>       | (n) an intense but short-lived feeling of admiration or love for someone.                                            |
| (15) <b>tie the knot</b>       | (o) a romantic relationship that faces significant obstacles or opposition.                                          |
