

[00:30] Walking through the city lights alone tonight Feel the rhythm bum-bum deep inside No more running from what I've become I'm taking control, my time has come

[00:50] Looking in the mirror, I see someone new A man made strong, one but true I don't care what the world might say This is my life, I'm here to stay

[01:00] Feel the fire burning bright Heavy scars made me strong This is my moment, this is right I've been waiting for too long

[01:13] (Chorus) My life, I'm taking the crown Shining brighter than the stars above My life, nobody's holding me down I'm standing tall with me now On the stage of my destiny Dance with me now, this moment for eternity

[01:45] All the pain of yesterday fades away Tomorrow's dreams are here to stay Let the music take me higher still This is my night, my iron will

[01:56] I've been broken, I've been tested hard But everyone is left now I'm shouting to the universe This is my life for better or worse

[02:08] Feel the power in my soul Dancing like I've never danced before I'm unbreakable, ready to break down every door

[02:33] (Chorus) My life, I'm taking the crown Shining brighter than the stars above My life, nobody's holding me down Standing for my destiny Dance with me now...

[03:15] I'm unstoppable, unbreakable now Walking down the road I've chosen Nothing's going to bring me down tonight This is my life, burning bright

[03:32] My life, I'm the master of my fate The whole world's calling ou
