Task 5: For each question, write the correct answer.

Saving the Ocean

Last weekend, Tom and his family went to the beach. They wanted to swim, but they saw many plastic bottles and bags on the sand. Tom's father said that plastic is very dangerous for sea turtles and fish because they might eat it. They decided to spend the morning cleaning the beach. After three hours, they collected five big bags of trash. They were tired, but they felt proud because the beach was clean again. Tom hopes that everyone will reuse their water bottles to reduce plastic waste.

1. Why didn't Tom's family swim immediately?

A. The water was too cold.

B. They saw a lot of plastic on the beach.

C. They forgot their swimsuits.

2. What did Tom's father say about plastic?

A. It is good for the fish.

B. It is dangerous for sea animals.

C. It is easy to clean.

3. How long did they spend cleaning?

A. Two hours.

B. Three hours.

C. All day.
