

Post-reading Checklist

STUDENT ACTIVITY REQUIREMENTS

(All requirements that MUST appear clearly in the student instructions)

- Clear explanation of the final product (written / spoken / creative + explanation)
- Shows understanding of the text
- Includes justification / examples from the text
- Creative product has a written or spoken explanation
- Written part is individual and completed in class
- Expected length is stated (Bagrut-level)
- Full instructions for spoken task if relevant; level-appropriate
- Make sure task is aligned with level of class.

TEACHER COURSE REQUIREMENTS

- Chose a literary piece taught in the course
- Created a new aligned post-reading activity
- Designed something beyond a basic finish-the-story task
- Used clear Can-Do guidance
- Included all aligned-literature student requirements in the instructions
- Uploaded the activity to Google Classroom

CREATIVITY & ORIGINALITY

- Activity is original and goes beyond standard worksheets
- Teacher stepped out of their comfort zone and tried something new
- Activity allows creative response formats (video, comic, poster, etc.)
- At least one digital or creative platform is used/offered
- Creativity includes justification, not only design
- Task encourages independent thought and personal voice
