FOOD FESTIVAL HOME RESTAURANTS EVENTS CONTACT

(1) _____ Try the International Food Festival, which takes place in London, Canada, every June. It's an opportunity to taste food from all over the world and, last summer, I decided to give it a go.

One of the best things about the festival were the smells – everywhere I went, there was the smell of something amazing cooking! I didn't know where to go first.

There was every kind of food you can imagine, from the kind of typical street food we get in our own town, to traditional dishes from countries on the other side of the world.

Of course, you can do more there than just eat. I watched several different cultural shows as well, and there were bands playing throughout the day. (2) _____ Overall, we had a great time and experienced tastes from many different cultures.

(3) _____ Go to London, Ontario and have fun!
