LIVEWORKSHEETS

Sentence Reading

Read the sentences and answer the questions that follow.

Mom drove us in the car to the farm. We went in the corn maze. We ran in the barn. We rode in the cart. A girl ran with us to the next spot. In the back of the pig barn there was a big cork wall where we can put up our art. We raced there. But when we made the turn the girl's skirt got stuck on the pole. I tried to help her, but then my shirt got stuck. In a blur, Mom came and got both of us off the pole.
