Subject: Expedition with the Mountain School

Dear Mountain School,

My name is Ana López. I am 16 years old, and I am from Ecuador. Last year, I went on a trip to the mountains with my family. We walked in a forest and climbed a small hill.

I am writing because I want to go on an expedition with your Mountain School. I have some climbing experience. I have climbed small hills, and I have tried rock climbing once.

During my last trip, the mountain was too high, but the path was easy enough to walk. I enjoy outdoor activities, and I think I am strong enough to join the expedition.

I hope to hear from you soon.

Best regards,
Ana López
