### 2 Complete the text with the comparative or superlative form of the adjectives in brackets.

Nabeela usually shops at the department store in the town centre. It's <sup>0</sup> not as big as (not big) the shopping centre outside town, but Nabeela doesn't mind. She lives near the town centre, so it's <sup>1</sup> \_\_\_\_\_ (easy) for her to get to the department store than the shopping centre.

For Nabeela, it's <sup>2</sup> \_\_\_\_\_ (enjoyable) to shop in a smaller place than a bigger place, and she loves all the people who work at the department store. She thinks they're <sup>3</sup> \_\_\_\_\_ (good) shop assistants because they are always very helpful.

There's a café in the department store which sells <sup>4</sup> \_\_\_\_\_ (nice) cakes in town. The problem is that it's always very busy, and <sup>5</sup> \_\_\_\_\_ (annoying) thing is when Nabeela can't find a place to sit down because the café is so popular.
