

# MATCH

Draw lines to match the phrases to the correct sentence.

The company became a \_\_\_ after focusing on high quality, exclusivity, and premium prices rather than mass production.

As \_\_\_, she is responsible for setting the company's strategy and representing the business in important meetings.

Even though the brand operates independently, its \_\_\_ controls the budget and long-term business decisions.

Sales usually increase in the \_\_\_ because of holiday shopping and end-of-year promotions.

His \_\_\_ encourages collaboration, feedback, and trust instead of strict rules and constant supervision.

Many customers choose this \_\_\_ because it reduces fuel costs and is better for long-distance driving.

By using a \_\_\_, the company improved communication and solved problems faster across departments.

The sudden silence before announcing the results added a \_\_\_ to the presentation.
