Write about a mammal and a bird. What do they look like?

1. Write about your mammal.

The Tasmanian devil is an Australian mammal. It is small and mostly black. It's got a big head and a strong jaw with fangs. It's got whiskers on its face too. It's got a long, fat tail. It looks very fierce but it's usually harmless to people.

2. Write about your bird.

The white-bellied sea eagle lives in Australia too. It's got white feathers on its head and body but the feathers on its wings are white and black. It's got a black and white tail. It's got a big beak and strong claws. It can see very well.
