

## Gorillaz - Clint Eastwood

I \_\_\_\_\_ happy, I'm feeling glad  
I got sunshine in a bag  
I'm useless, but not for long  
The future is \_\_\_\_\_ (×2)  
Finally, someone let me \_\_\_\_\_ my cage  
Now time for me is nothing 'cause I'm \_\_\_\_\_ no age  
Nah, I couldn't be there, now you shouldn't be scared  
I'm \_\_\_\_\_ repairs (it's all simple), and I'm under each snare  
Intangible (ah, y'all), bet you didn't think, so I command you to  
Panoramic view (you?), look, I'll make it all manageable  
\_\_\_\_\_ and \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_, all you different crews  
Chicks and \_\_\_\_\_, who you think is really kicking \_\_\_\_\_?  
Picture you getting down in a picture \_\_\_\_\_  
Like you lit the \_\_\_\_\_  
You think it's fictional? Mystical? Maybe  
Spiritual hero who appears on you to clear your view (yeah) when you're too crazy?  
Lifeless to those with definition for what life is  
Priceless to you because I \_\_\_\_\_ on the hype shit  
You like it? Gun smoking, righteous with one toké  
Get \_\_\_\_\_ among those, \_\_\_\_\_ you with one dose  
[Refrain]  
The essence, the basics, without \_\_\_\_\_, \_\_\_\_\_ naked  
Allow me to make this childlike in nature  
Rhythm, you have it or you \_\_\_\_\_, that's a fallacy  
I'm in them, every sprouting \_\_\_\_\_, every child of peace  
Every cloud and sea, you see with your eyes  
I see destruction and \_\_\_\_\_, corruption in \_\_\_\_\_ (that's right)  
From this \*\*\* enterprise, now I'm sucked into your lies  
Through Russel, not his muscles but percussion, he provides for me as a guide  
Y'all can see me now 'cause you don't see with your eye  
You perceive with your \_\_\_\_\_, that's the inner  
So I'ma stick around with Russ and be a mentor  
Bust a few rhymes so motherfuckers remember where the thought is, I brought all this  
So you can survive when law is lawless (right here)  
Feeling sensations \_\_\_\_\_ thought was dead  
No squealing, remember that it's all in your head  
[Refrain]

## **Speaking**

1. Many people say the future is coming on faster than ever. How do you personally feel about your future right now, and what changes do you sense are already coming on?
2. When the future feels uncertain, do you try to pick and choose your direction carefully, or do you prefer to go with the flow? Why?
3. Have you ever felt that you were sitting and losing instead of acting? What helped you realize it was time to move instead of staying passive?
4. For some people, creativity is a way to let out emotions and pressure. What do you usually let out through music, art, or other forms of expression?
5. Music often lights the fuse for big changes in people's lives. Can you remember a song, artist, or moment that lit the fuse for you?
6. Have you ever wanted to kick tunes yourself, maybe produce music, DJ, or just play around with sounds? What attracts you to that idea?
7. When you hear music you love, does it make you want to get down, or does it affect you more on an emotional level?
8. Is there someone who put you on a new type of music, artist, or lifestyle that really changed your taste or mindset?
9. When things get difficult, do you usually stick around and see situations through, or do you move on quickly? Can you give an example?
10. What helps you clear your view when you feel confused or stuck?
11. If you had a mic right now, would you dare to bust a few rhymes to express what's on your mind, even jokingly? Why?
12. Do you think you mostly perceive with your mind, or do you rely more on emotions and intuition when making life decisions?
