

on Sunday
all day long from March to September
on October 31 every day
From 1814 to 1827
Now in October some minutes
all my life

I went to Alton Towers . I was enjoying the best rides . I was riding on the roller coaster for but I will remember it for . Alton Towers has a long history. it was the Chinese gardens in Britain. it is the largest theme park with more than 125 rides. A lot of children and adults visit the park . It's open . I'm going to go there . They are having a Halloween party and fireworks .
