

# People at my School

Read the sentences and do the true/false.

When I go to school in the morning, the first person I see is Mr. McNair. He is the security guard and he opens the door for us. Then I see my teacher Mrs. Kim. She always smiles at me and says "Good morning Tina!". On Mondays I have Physical Education so I get to see Coach Garcia. He teaches us basketball and soccer.

At 12:00 I say "Good Afternoon Mrs. Garner!" to the cook in the cafeteria. She makes us a good lunch. I also like to go to the library in the afternoons. Our librarian, Miss Woodson is great! Once I was sick and I had to see Mrs. Khan. She is the school nurse. She took my temperature and sent me home. Those are the people who work at my school!
