while
don't

Dear Aunt Maggie,

I like watching TV than anything else. After I do my homework, I watch television I go to bed. I watch everything on TV the commercials. At the weekends, I go out because I prefer watching television going out. Television takes me to other places. makes me laugh. The characters in TV series are like my friends. I talk to them. Of course they talk back. I know that they are not . I need your advice because I have problems. My mum and dad say that I watch TV so much because I'm alone all the time. Also, I eat a lot I'm watching TV and I'm putting on weight. What should I do?

The couch potato

Match to make sentences.

She appeared on national television

and the guest is Tarkan.

There are many soap operas

telling the same love stories.

There is a good talk show on TV today

because they are about ordinary people.
