🎧 Original Scripts – Sofía's Audio Diary

🎙️ Slide 1 – Greeting and Introduction

"Hi everyone! Welcome to my Audio Diary. My name is Sofía, and I'm 15 years old. In this project, I'm going to share three special stories with you: my best experience ever, a funny technology problem, and my last trip. I hope you enjoy listening to my memories!"

🌟 Slide 2 – The Best Experience of My Life

"The best experience of my life has definitely been my first concert. I have always loved music, but I had never played in front of so many people before. Last year, my band participated in a school festival. When I stepped onto the stage, I felt really nervous. My hands were shaking, and my heart was beating fast. But when we started playing, something amazing happened. The audience began to clap and sing along. I have never felt so excited in my entire life! Since that day, I've practiced more than ever."

💻 Slide 3 – A Technology Problem Experience

"Last month, I had a terrible experience with technology. I was working on a school project, and I hadn't saved my document for hours. Suddenly, my laptop screen froze, and I couldn't do anything! I tried to press some keys, but nothing happened. I swiped the mouse, scrolled up and down, but the computer didn't respond. I felt so frustrated and annoyed! I hadn't updated my system since January, so maybe that was the problem. Finally, I decided to unplug the laptop and switch it off. When I turned it on again, I lost two hours of work. I have never forgotten to save my documents since that day."

✈️ Slide 4 – My Last Trip (Cartagena)

"My last trip was to Cartagena last December, and it was absolutely amazing. I had never visited the Caribbean coast before, so I was really excited. We stayed there for five days. The weather was hot and sunny every day. I swam in the sea, walked through the old city, and ate delicious food. The most beautiful moment was the sunset at the beach. I have never seen such colorful skies in my life! Since that trip, I've felt more relaxed and happy. I've also started learning more about Colombian culture. I'm already planning my next vacation because I haven't visited San Andrés yet. I hope I can go there soon!"

👋 Slide 5 – Farewell

"Thank you so much for listening to my Audio Diary. I've really enjoyed sharing my stories with you. I hope you liked them, and maybe you felt identified with some of my experiences. See you next time! Bye!"
