Hi! My name is Paolo. I'm Italian. I'm from Rome. It's the capital of Italy. I live in California now – that's in the USA. I'm fourteen years old and my birthday is on the 16th of July. My favourite colours are blue and brown and my favourite number is sixteen. Can you guess why?

I'm in my first year at high school. My favourite class at school is English because the teacher is good. My best friend, Jay, isn't in my class. Jay isn't from the USA, he's Australian. Jay's good at skateboarding. I'm good, too! Are you a skateboard fan? What's your name and where are you from?

Hello! My name is Vicky. I'm from Toledo in Spain. I'm in my first year at an international school in the USA. My best friends are Silvia and Marta. We're in the same class. They are from Mexico.
