6. Read the text and write answers

reading

This is Arnold. He lives in New York and he is a doctor. He is medium height and thin. He works at the hospital and he loves his job. Every day, he gets up at quarter past seven, he takes a shower and has breakfast. He starts working at eight o'clock, looking after sick people. He goes home at five o'clock. At half past six, Arnold has dinner, he watches TV, he reads a book, feeds his pet and he goes to bed at quarter to ten.

1. What is Arnold's job?
2. What time does he get up?
3. Does he start working at quarter to eight?
4. What time does he go home?
5. Has he got a pet?
