

# Easter

## READING COMPREHENSION ACTIVITY

Easter is an important holiday celebrated in many countries during spring. For Christians, it marks the resurrection of Jesus Christ. Many traditions are also connected to the season of new life. Children often decorate eggs and take part in egg hunts, where they search for hidden chocolate eggs in gardens or parks. The Easter Bunny is a popular symbol that is said to bring these eggs. Families may attend church services and share special meals together. Although Easter has religious origins, many people today celebrate it as a cultural and family holiday.
