Q *Where did you go on vacation last year?*
A *Danilo – Paris, Europe*

There were so many places to go sightseeing. We were in a hotel very close to the historic center and it was easy to walk to the famous Eiffel Tower and take pictures. Only ten minutes from our hotel! Also, there were so many really good French restaurants! The museums were open every day and my mom and dad were happy about that.

A *Sylvie – George Town, Asia*

We were in George Town in Penang. There wasn't a beach and that was good because I don't like them. I was in a nice hotel with my parents, and the receptionist gave us a map to find the street markets. We all love shopping, and there were good malls in George Town, and we were in really good restaurants on many nights. Were we happy to be in Malaysia? Yes, we were!

1. Who was in France? Danilo / Sylvie / both
2. Who was in Malaysia? Danilo / Sylvie / both
