I. PET Part 2

Part 2

Questions 6–10

For each question, choose the correct answer.

The people below are all looking for a restaurant.
On the opposite page there are reviews of eight restaurants.
Decide which restaurant would be the most suitable for the people below.

6

It's Jenny's 30th birthday and she would like to take a group of friends out for a meal. She'd like a party atmosphere with live music.

7

Kieran has an hour to wait before his train leaves. He would like somewhere that serves quality, fast food. He needs somewhere he can get to the station quickly.

8

Jon and his wife Debbie are celebrating their 20th wedding anniversary and would like to have a nice romantic meal somewhere not too busy. They love going on holiday to Italy.

9

Marie and her husband Harry want to take their young son for a meal. It would be good if there was something for him to do as he has a lot of energy!

10

Trevor is working late tonight at the office. He wants to order something over the phone to eat at his desk. He likes spicy food and is happy to pay for delivery.

Restaurant reviews

A Southern Chicken Takeaway

Ordered a takeaway chicken and chips from this place. Nice food but ordering was difficult. Someone in the kitchen was playing music really loudly and I could hardly hear what the man serving me was saying. I would have ordered over the phone but they don't deliver.

B The Noodle Bar

This is what fast food should be like. From delicious Japanese soups to hot Thai main meals. Eat in or take away. They're very popular with locals and if you're eating at a table it can take a while to get served. They charge 10% delivery for takeaways.

C Spice World

Phew! Just had one of the hottest curries I've ever eaten. I must say it was also one of the nicest meals I've had for a while. Unfortunately, it has only just opened, and they haven't organised a takeaway service yet but looking forward to ordering one when they do.

D Sandy's

A fantastic restaurant just outside of town. Took our young daughter there last weekend and she loved choosing her own meals from the children's menu. If only they would provide something like a colouring book or an activity to keep children occupied as she soon started to get bored.

E Take a Tumble

We had our grandchildren for the day and were lucky enough to find the new 'Take a Tumble' in town. Lots of activities for young children who can climb, **slide** or swim. They serve simple, cheap lunches that saved us the bother of finding somewhere else to eat.

F Macs

I went to Macs, just opposite the entrance to the station last night. My friends had the fried chicken and I had pizza. We were all really happy with our meal. The food was at our table in ten minutes and it tasted great.

G Pasta della Piazza

Whether it's a romantic meal for two or a memorable night with friends, Pasta della Piazza is the place to go. We enjoyed a fantastic night out with lovely Italian food and sang along and danced thanks to their regular pianist. You need to reserve to be sure of a table.

H Giovanni's

This place is hidden away on the back streets of town. A tiny place with only five or six candlelit tables but with a wonderful atmosphere. Italian music plays softly in the background making you feel as if you've been **transported** to Florence or Rome.
