

# 1. Read and choose True/False

It's Friday and I'm at home. I can't go to the park because I've got a bad stomach ache. I mustn't eat sweet things or cakes. I must drink a lot of water. I've got a headache, too. My mum says I mustn't watch TV or play on the computer. I must close my eyes and sleep. I love playing tennis and I always have a tennis lesson on Fridays. I can't go today, but I'm not sad because I can read my favourite comic in bed!

## 2.Fill in the blank

Hello! I am Tom. Today I feel very bad. I've got a terrible cough and a cold. I am at the hospital now. The doctor is talking to me:

"You are very sick, Tom. You (1) \_\_\_\_\_ play outside in the rain. You (2) \_\_\_\_\_ stay in your warm bed. Your throat hurts, so you (3) \_\_\_\_\_ drink cold water. You (4) \_\_\_\_\_ drink warm water and orange juice. You have got a stomach ache, too! So, you (5) \_\_\_\_\_ eat sweet things or chocolate today. You (6) \_\_\_\_\_ eat healthy soup and sleep a lot."

I want to be fit and well soon, so I will listen to the doctor!
