Exercise 1: Reading.

"Your Future Is in Your Hands"

Every day you make decisions that shape your future. Some choices seem small, but they grow over time. Your habits today will build your tomorrow. You are stronger than you think.

When you study, you invest in yourself. Knowledge will open doors for you. Discipline is not easy, but it works. Success begins with responsibility.

You will face challenges and doubts. Some people may not believe in you. However, you must believe in yourself. Confidence grows with action.

Good friends will support your dreams. Choose people who inspire you. Avoid those who steal your energy. Protect your goals.

Mistakes are part of learning. You will fall sometimes. But you must stand again. Failure teaches powerful lessons.

Technology can help you grow. Use it to learn, not to waste time. Your focus will determine your results. Time is valuable.

Set clear goals for your future. Visualize the professional you want to be. Work hard every day. Consistency creates success.

Help others and share knowledge. Leadership begins with service. Your actions influence people.Be an example.

Your future is not luck. It is the result of your decisions. Choose wisely today. You will build a life you are proud of.
