I was her, she was me

We were one, we were .....

And if there's .....

Calling me on, she's the one

We were ....., we were wrong

We were fine all along

When you get to where you wanna .....

And you know the ..... you wanna know you're smilin'

When you said what you wanna say

And you know the..... you wanna play

You'll be so high, you'll be flyin'

Though the sea, will be .....

I know we'll carry on
