Task 3 **Read the paragraph from Jay's diary and complete the sentences.**

Yesterday's football game was so difficult! It took only an hour

and a half, but it felt like twenty! A few players even got hurt! I was running when I saw the ball rolling away from the opposing team. I kicked it so hard that the goalkeeper couldn't catch it. I scored a goal! In the end, our team won the game and we got the gold cup. We felt so proud! The members of the opposing team, however, looked very angry. I understand that failure isn't pleasant, but that doesn't mean you have to get so mad. Maybe they need more training. Anyway, I'm home now and I feel exhausted. My mum has made me a cup of tea, so I'm going to drink it and relax. After all, I have to get those scary faces out of my head!

1 Jay had a _____ yesterday.
