

Somebody That I Used to Know

Now and then, I think of when we were
together

Like when you said you felt so happy you
_____ die

Told myself that you were right for me

But felt so lonely in your company

But that was love, and it's an _____ I still
remember

You can get addicted to a certain _____
sadness

Like resignation to the end, always the end

So when we found _____ we could not
make sense

Well, you said that we would still be friends

But I'll admit _____ I was glad it was over

But you didn't have to _____ me _____

Make out like it never happened and that we
were nothin'

And I don't even need your love

But you treat me like a stranger, and that
feels so rough

No, you didn't have to _____ so _____

Have your friends collect your records and
then change your number

Guess that I don't need that, _____

Now you're just somebody that I used to
know

Now you're just somebody that I used to
know

Now you're just somebody that I used to
know

Now and then, I think of all the times you
_____ me _____

But had me believin' it was always somethin'
that I'd _____.

But I don't wanna live that way

Readin' into every _____ you say

You said that you could let it go

And I wouldn't catch you _____ on
somebody that you used to know

But you didn't have to _____ me _____

Make out like it never happened and that we
were nothin' (ah)

And I don't even need your love

But you treat me like a stranger, and that
feels so rough (ah)

No, you didn't have to _____ so _____

Have your friends collect your records and
then change your number (ah)

Guess that I don't need that, _____

Now you're just somebody that I used to
know

Somebody I used to know

Somebody (now you're just somebody that I
used to know)

Somebody I used to know

Somebody (now you're just somebody that I
used to know)

I used to know

That I used to know

I used to know somebody
