Affirmative

We use **must** + base form to tell other people what they have to do.

Sometimes **you** means 'everyone'.

Although **must** is most commonly used in the **you** form, we can use it in other forms. Note that for **he** and **she** we do not add -s to **must**.

*Jane **must** try to improve her spelling.*

We can give a more direct order simply by using the imperative form. This is the infinitive without **to**.

The imperative form is common on signs and notices.
