

Copy the grid. Read the following explanations and match them with the words from the box

**ecology, pollution, energy, cars, the Earth, rainforest, nuclear testing, garbage, environmental problems, animals in danger**

*The first letters of the words give you a name of a very important international organisation which works to protect the environment*

1. It is rubbish, waste or other things we throw away.
2. It is a thick forest in tropical parts of the world, like in Amazon area.
3. It is our planet.
4. We have so many of them, like air, sea, and land pollution, holes in the ozone layer and so on.
5. They are experiments with nuclear weapons (like bombs).
6. It is the process of making our environment dirty and unhealthy for living.
7. It can come from nuclear, electrical, solar or wind power.
8. It is a very big problem of our time. If we don't protect them, they will disappear forever.
9. A great deal of pollution comes from the fumes (gases) they give off. We should walk or use bikes instead, whenever we can.
10. It is the science that studies the relations of plants, animals and people to each other and to their environment.

<b>g</b>	<b>garbage</b>

Match answers from the box to the questions below to make the interview

1. Yes, they are. The biggest problem is with things like televisions and computers, because they're made of a lot of different materials — plastic, glass, rubber, metal. Some of the metals are very expensive, like silver and gold.
2. Yes, people bring cans — and cardboard boxes, too.
3. Most people recycle newspapers and magazines, glass bottles — and plastic bottles, too.
4. We recycle a lot of materials — glass, paper, plastic, metal. We collect wood, too, and cardboard.

*Reporter:* I'm at the Recycling Centre, and I'm talking to Arthur Collins. What materials can people recycle here?

*Reporter:* I see. What things do most people bring to the Recycling Centre?

*Reporter:* I can see some metal cans over there.

*Reporter:* Are those things easy to recycle?

*Reporter:* I see... So what do you ...
