Speaking

1. When was the last time you felt tears run down your face because of someone you loved?
2. Do you think small daily gestures in a relationship can go a long way, or do grand romantic actions matter more to you?
3. What qualities do you believe can get someone far not only in their career, but also in love?
4. At the thought of your future, do you feel excitement or fear? Why?
5. Do you believe people usually treat their partners like they're supposed to, or do most relationships fall short of that?
6. Has one honest conversation ever gone a very long way in changing your relationship with someone?
7. What personality traits genuinely get you hot — confidence, kindness, intelligence, something else?
8. Considering that no one is perfect, what flaws are you willing to accept in a partner?
9. Have you ever tried to assemble something from IKEA with a partner, and did it bring you closer or start an argument?
10. How do you prefer to treat someone you love when they're feeling vulnerable?
