City Aquarium

Come and explore City Aquarium! There are hundreds of sea creatures for you to see!

Sharks have lived in our oceans for over 400 million years. Some sharks are big, some are very small, and some are very scary! Don't miss the sharks' feeding time at 3 p.m. every day in our shark zone.

Turtles have been on planet Earth for over 200 million years. But today some species of sea turtles are endangered because of hunters, fishing nets or plastic in the ocean. Come and see these beautiful creatures in our turtle zone.

There are so many other incredible sea creatures to discover at the City Aquarium, including octopuses, jellyfish, seahorses and starfish. Which one is your favourite?
