

Hi Paul, We've been on holiday here in Spain for a month now and I **(0) have met (meet)** this boy, Mikel. He is absolutely handsome but I **(1)**_____ **(not be)** sure how I feel about him.

I need your advice. I **(2)**_____ **(meet)** Mikel on the beach two weeks ago and he **(3)**_____ **(invite)** me to play volleyball. We **(4)**_____ **(walk)** when he **(5)**_____ **(ask)** me to go to a café with his friends. But when we were there, he **(6)**_____ **(not speak)** to me at all and started talking to his friends! I **(7)**_____ **(feel)** a little bit disappointed. Then, when I said goodbye, he walked to the bus stop with me and we had a great time.

I **(8)**_____ **(probably/see)** him later but... what shall I do if he asks me out? Tomorrow we **(9)**_____ **(leave)** with my family at 9 p.m. I **(10)**_____ **(not know)** what to do! What do you think?
