

### Unit 1 – Practice Test

Below are 6 questions (1-6). In each question match 3 of the words (1-6) to their definition on the right. Write the **NUMBER** of the word next to its definition.

Example:

|         | Words      | Definitions                                                               |
|---------|------------|---------------------------------------------------------------------------|
| Example | 1. a cat   |                                                                           |
|         | 2. a dog   | a <u>3</u> the female who gave birth to you.                              |
|         | 3. mother  | b <u>5</u> our star, generates warmth, light and the food we eat.         |
|         | 4. father  | c <u>6</u> a greeting one says upon meeting a person or entering a place. |
|         | 5. the sun |                                                                           |
|         | 6. hello   |                                                                           |

|   | Words                         | Definitions                                                                    |
|---|-------------------------------|--------------------------------------------------------------------------------|
| 1 | 1. besides                    |                                                                                |
|   | 2. blame                      | a _____ Exceptionally clever or talented; shining brightly with intense colors |
|   | 3. block                      | b _____ Determine (the amount of something) with mathematical precision        |
|   | 4. brilliant                  | c _____ In addition to; apart from                                             |
|   | 5. bring up sb or bring sb up |                                                                                |
|   | 6. calculate                  |                                                                                |

|   | Words             | Definitions                                                                          |
|---|-------------------|--------------------------------------------------------------------------------------|
| 2 | 1. can            |                                                                                      |
|   | 2. challenge      | a _____ A call to take part in a competition; a situation that tests one's abilities |
|   | 3. chance         | b _____ State that something is the case, typically without providing evidence       |
|   | 4. change         | c _____ Make or become different                                                     |
|   | 5. characteristic |                                                                                      |
|   | 6. claim          |                                                                                      |

|   | Words                    | Definitions                                                                |
|---|--------------------------|----------------------------------------------------------------------------|
| 3 | 1. clothing              |                                                                            |
|   | 2. come after/first/last | a ____ Items worn to cover the body                                        |
|   | 3. common                | b ____ A feeling of worry or anxiety about a particular event or situation |
|   | 4. competitive           | c ____ Occurring, found, or done often; shared by all members of a group   |
|   | 5. complicated           |                                                                            |
|   | 6. concern               |                                                                            |

|   | Words           | Definitions                                         |
|---|-----------------|-----------------------------------------------------|
| 4 | 1. conditions   |                                                     |
