MY FAVORITE STORE

My favorite store is called Fashion World. It is near my house, and it is **closer than** the stores in the mall. I really like **this store** because it is big, organized, and comfortable. I don't like visiting the stores in the mall. I don't usually go to **those stores** because they are **more expensive**, and the clothes are **less comfortable.**

In **this store**, you can find **cotton shirts**, **denim pants**, **silk dresses**, and **leather jackets**. The clothes are colorful and modern. The prices are good, and many things are on sale. For example, a **shirt is 10 dollars**, and a **jacket is around 20 dollars**.

I don't like the store near the park called Fashion Palace because **that store** is small and expensive. The clothes there are **more expensive than** the clothes in Fashion World. That's why I prefer this store.

Demonstratives

Near: This (singular), These (plural)
Far: That (singular), Those (plural)

Examples:
I like **this store**.
I don't like **that store**.
These stores are cheap.
Those stores are expensive.

Talking About Prices

It is cheap.
It is expensive.
The prices are good.
The prices are high.
It is 20 dollars

Comparatives

Short adjectives: add -er (cheap → cheaper, big → bigger, small → smaller)
Long adjectives: use more (expensive → more expensive, organized → more organized)

Examples:
This store is bigger than that store.
That store is more expensive.
