- E. Heat

13. Where does the water flow after rivers overflow?

- A. Mountains
- B. Nearby areas
- C. Oceans
- D. Forests
- E. Clouds

14. What can make floods worse?

- A. Clean rivers
- B. Strong wind
- C. Poor drainage system
- D. High mountains
- E. Sunny weather

15. The purpose of the text is to ...

- A. entertain readers
- B. explain how floods happen
- C. persuade people to move
- D. compare rivers and lakes
- E. describe a place
