

★ Summer Camp Plans ★

Hi, Ali,

Sports Camp

How are you? I want to tell you about my plans for the summer holiday.

Every summer, many students join different kinds of camps. Some go to sports camps where they play football and basketball.

Science Camp

Others prefer science camps to do experiments and learn about space.

There are also art camps where kids draw and paint.

Last summer, I went to a sports camp near the beach. I played football every day and made new friends.

Art Camp

This summer, I am going to join a science camp. We are going to do fun experiments and learn about robots. My brother is going to join an art camp because he loves to draw and paint.

Are you going to join a summer camp this year?

Write back soon,
Sara.

★ Reading Questions ★

1. What is the main idea of the email?

- A. Summer food and activities
- B. Different summer camps and the writer's experience
- C. School subjects during the year
