

NAME: _____

THE RISE OF STREAMING

____ 1. What is the primary focus of the first paragraph?

- A. The history of how DVDs were invented.
- B. The way streaming has simplified how we access media.
- C. Why people still prefer traditional TV schedules.
- D. The cost of renting movies in the past.

____ 2. According to the text, how does watching movies today differ from the past?

- A. People now have to wait longer to see new films.
- B. Viewers no longer need to follow a specific timetable to watch shows.
- C. It is more difficult to find documentaries today.
- D. Renting DVDs has become the most popular habit.

____ 3. Why does the author mention "action, mystery, drama, and comedy" in Paragraph 2?

- A. To explain which genres are the most expensive to produce.
- B. To suggest that only these four genres are available.
- C. To highlight the diversity of options available for different preferences.
- D. To argue that series are better than live events.

____4. What is the main reason given in Paragraph 3 for why people subscribe to specific streaming platforms?

- A. Because they want to watch movies in a theater.
- B. Because regular TV has too many commercials.
- C. Because these platforms provide unique shows that cannot be found elsewhere.
- D. Because they want to save money on cinema tickets.

____5. In Paragraph 3, what is implied about "loyal fans"?

- A. They only watch shows that are shown on regular TV.
- B. They prefer to watch movies with their friends.
- C. They are likely to keep using a service to access specific, original programs.
- D. They find it difficult to choose what to watch.

____6. According to Paragraph 4, what is one potential problem with streaming?

- A. It is becoming too expensive for most families.
- B. It can cause people to neglect their necessary daily responsibilities.
- C. There isn't enough variety for people who like documentaries.
- D. It is only available at certain times of the night.

____7. What is the writer's main message regarding screen time in Paragraph 4?

- A. Everyone should stop using streaming services immediately.
- B. Streaming is only dangerous for young children.
- C. It is necessary to manage digital entertainment alongside other parts of life.
- D. Experts believe that screens do not actually affect health.
