

Fluency Time! 3

Lesson One Everyday English

1 Listen. Read and say. 109

Anna: What are you doing, Tom?
Tom: I'm reading about amazing animals. The blue whale is huge.
Anna: Is an elephant smaller than a whale?
Tom: Yes. Whales are larger than all the other animals.

Anna: Ben, did you go to the museum last week?
Ben: Yes, I did. I saw a skeleton of a T-Rex.
Tom: Wow! Is a T-Rex larger than a whale?
Ben: No, but its teeth are sharper than a whale's teeth!

2 Listen and complete the sentences. 110

1. Ben made a poster about dangerous animals.
2. The spider is _____.
3. It is _____ than a hand.
4. It's _____ than a dinner plate.
5. It lives in the _____.

3 Ask and answer.

mountain ocean waterfall island building animal

What are you reading? Is it interesting?

Yes, it is. I'm reading about mountains. Fansipan is very high.

Is it higher than Mount Everest?

No, it isn't. Mount Everest is higher than Fansipan.
