Poor you, Katy38! I love music and I play in a
youth ⁴ _____ in our town. Last June, we
were performing a special concert outdoors in a

I had a bad experience, too, Sammy67. My
brother loves technology and made his first robot
in ⁷ _____ at school. He's got his own
⁸ _____ now so he can make robots in his
bedroom and then he does the ⁹ _____ to
operate them. Unfortunately, I broke his latest robot.
It was on the floor when I walked in ... you can imagine
what happened! 😱
