

3. Read the text and circle the correct options.

Lydia is a housekeeper for the Smiths. She **goes to clean / is cleaning** their house for an hour once a week. Today she **is doing / does** the vacuuming and she **is changing / changes** the sheets on the bed. Next week, she **is doing / does** the gardening for them. Lydia always **turns / is turning** on the washing machine when she arrives and **hangs / is hanging** out the laundry before she leaves. On hot days, the laundry **dries / is drying** in just ten minutes, so she **irons / is ironing** the clothes before she goes home. Today Lydia **is going / goes** to a new client's house for the first time after she **is finishing / finishes** working at the Smiths. She **is hoping / hopes** they will become a permanent client.
