

Read carefully then choose the correct answer .

At the School Picnic

Last Friday, our class had a picnic in the park. The teacher asked students to bring -----**(1)** food and drinks.

Fatima brought -----**(2)** sandwiches, and Dana brought some juice. We didn't bring -----**(3)** cola because our teacher said it is not healthy. There were many students in the class, so we needed -----**(4)** food.

At the beginning, there were many sandwiches and many fruits. After lunch, there were only a -----**(5)** sandwiches left. There was also a little juice in one bottle. Some students were still hungry, but there was not
