

Islas Galápagos

The map shows the Galápagos Islands (Islas Galápagos) in the Pacific Ocean. The main archipelago is labeled "Archipiélago de Colón". To the east, the "Baquerizo Moreno" area is shown. Various islands are labeled with abbreviations and names, some of which are partially obscured by white boxes:

- I. P
- I. a
- I. G
- I. S r
- I. S C
- I. San C
- I. E
- I. S M
- I. F a
- I. I
