Bats

ple Bats are very clever animals and ....there.... are many interesting
1 things about them. Bats fly, but they are ..... birds.
2 They don't have eggs, and bat babies get milk from .....
mothers. Bats first lived about 60,000,000 years ago. People have
3 ..... very old pictures of bats in caves and under the ground.
4 Men ..... these pictures 4,000 years ago. Today the world has
5 more than 2,000 different kinds of bats. Some are very ..... ,
like flies. Others are like very big birds.
6 Most bats eat insects but some bats ..... live in hot countries
eat fruit, fish or other bats. They fly very fast in forests and other dark
7 places and they don't often hit ..... But bats don't use their
8 eyes ..... find their way. They use their mouths and their
ears. They 'shout' and they listen and then 'understand' if something is
near them.
9 Some people are afraid ..... bats but they are very
interesting animals. It's easy to watch them and learn about them
10 ..... they often live at the top of our houses and fly in our
gardens in the evening.

Wednesday September 8th

ple Today wasn't ....a.... good day at school.
1 Everything went wrong. ..... the morning,
I forgot to put my history homework in my rucksack
so my teacher wasn't happy about that. Then I lost
2 my favourite pen. I cut my leg when I .....
playing in the playground and I had an egg sandwich
for lunch, which tasted horrible. Then, after lunch, I
3 asked one ..... my friends something in class
4 and my teacher ..... "Stop talking, Bill!" and
my face went very red.
5 Perhaps tomorrow will ..... better!
