

# Binge-Watching

## Match words with their definitions

to escape reality

to unwind

real-life moments

feeling foggy

to end up (doing something)

to miss out

1

experiencing confusion or lack of clarity, often making it hard to think clearly or remember things.

2

to eventually find oneself in a particular situation or doing a specific activity, often unexpectedly.

3

to avoid facing the truth of a situation by engaging in activities or thoughts that provide distraction.

4

to relax and reduce stress after a busy or challenging period, allowing oneself to feel more at ease.

5

actual experiences that happen in everyday life, often involving emotions or significant events.

6

to fail to take part in something enjoyable or important, resulting in regret or loss.
