Eminem - Love The Way You Lie ft. Rihanna

Just gonna stand there and watch me burn?
Well, that's alright, because I like the way it hurts
Just gonna stand there and _____ me cry?
Well, that's alright, because I love the way you lie
I love the way you lie

I can't tell you what it really is
I can only tell you what it feels like
And right now, there's a steel knife in my windpipe
I can't breathe, but I still fight while I can fight
As long as the wrong feels right, it's like I'm in _____
High off of love, drunk from her hate
It's like I'm huffing paint and I love her, the more I suffer
I suffocate and right before I'm about to _____
She resuscitates me, she fucking hates me
And I love it, "Wait
Where you going?" "I'm leaving you"
"No you _____, come back"
We're running right back, here we go again
It's so insane 'cause when it's going good, it's going great
I'm _____, with the wind at his back, she's Lois Lane
But when it's bad, it's awful
I feel so ashamed, I snapped, "Who's that _____?"
I don't even know his name, I laid hands on her
I'll never stoop so low again, I guess I don't know my own _____

[Refrain]

LIVEWORKSHEETS

You ever love somebody so much you can barely breathe when you're with _____?
You meet, and _____ one of you, even know what hit _____
Got that warm fuzzy feeling, yeah, them chills, used to get 'em
Now you're getting fucking sick of looking at 'em
You swore you've never hit 'em, never do nothing to hurt 'em
Now you're in each other's face
Spewing venom in your words when you spit 'em
You push, pull each other's hair, scratch, claw, bit 'em
Throw 'em down, pin 'em, so lost in the moments when you're in 'em
It's the rage that took over, it controls you both
So they say you're best to go your separate ways
Guess that they don't know ya 'cause today, that was yesterday
Yesterday is over, it's a different day
Sound like broken records playin' over
But you _____ her, next time you'll show restraint
You don't get another chance, life is no Nintendo game
But you lied again
Now you get to watch her leave out the window
Guess that's why they call it window _____

[Refrain]

Now I know we said things, did things that we didn't _____
Then we fall back into the same patterns
Same _____, but your temper's just as bad as mine is
You're the same as me, when it comes to love, you're just as blinded
Baby, please come back, it was _____ _____
Baby, it was me, maybe our relationship isn't as crazy as it seems
Maybe that's what happens when a tornado meets a volcano
All I know is I love you too much to walk away _____
Come inside, pick up your bags off the sidewalk
Don't _____ hear sincerity in my voice when I talk?
_____ _____ this is my fault, look me in the eyeball
_____ _____ I'm pissed, I'll aim my fist at the drywall
_____ _____? There won't be no _____ _____
I apologize, even though I know it's lies
I'm tired of the games, I just want her back, I know I'm a liar

I'm a _____ her to the bed and set this house on _____
