

ชื่อ..... ชั้น ป.5 เลขที่.....

คำชี้แจง : ให้นักเรียนบอกส่วนประกอบของโปรแกรมโปรแกรม Microsoft Excel 2019

The screenshot shows the Microsoft Excel 2019 interface. The following components are labeled with boxes and arrows:

- Quick Access**: Points to the top-left corner of the ribbon.
- Name Box**: Points to the box showing the active cell address (A1).
- Formula Bar**: Points to the bar for entering data or formulas.
- Cell**: Points to a specific cell in the worksheet grid.
- Ribbon**: Points to the top bar containing tabs like File, Home, Insert, etc.

Other labels with arrows pointing to specific areas include:

- Two boxes on the left pointing to the ribbon tabs and the Name Box.
- Two boxes on the right pointing to the ribbon and the worksheet grid.
- A box in the middle pointing to a cell in the worksheet grid.
