

PHIẾU BÀI TẬP: "REAL-WORLD PRESENTATION SCENARIOS"

Task: Match the **Problematic Situation** with the **Professional Body Language Solution**.

Column A: The Problem (Tình huống thực tế)	Column B: The Solution (Giải pháp chuyên nghiệp)
1. Feeling extremely nervous and your hands start to shake.	A. Use a Clicker or Steepling: Hold a remote or join your fingertips to stabilize your hands and show confidence.
2. Forgetting your next point and looking lost on stage.	B. The "Pause & Scan": Take a deep breath, look at a friendly face in the audience, and smile while you recall your notes.
3. Having a small audience in a very large lecture hall.	C. Move Closer: Step out from behind the podium to reduce the physical gap and create a sense of intimacy.
4. Audience members are looking at their phones or talking.	D. Direct Eye Contact: Look directly at the distracted individuals for 2-3 seconds while continuing to speak firmly.
5. Using a large screen but blocking the view of the students.	E. The 45-Degree Angle: Stand to the side of the screen and use the arm closest to the board to point at data.
