

1 Listen to the story and repeat. 🎧 115

2 Listen and say. 🎧 116

Let's learn!

You **shouldn't** eat lots of cupcakes when you have a stomachache.

You **should** drink some water.

We use **should** and **shouldn't** to give advice. We can use it to talk about health.

Should I eat fruit and vegetables? Yes, you **should**.
Should I eat a lot of candy? No, you **shouldn't**.

3 Circle. ✏️

Max is ill. He has a fever and a cough.

1. Max should / shouldn't drink water.
2. He should / shouldn't play outside.
3. He should / shouldn't go to bed.
4. He should / shouldn't go to school.

4 Circle and write. ✏️ 📝

- a. He has a _____.
- b. He **should** / shouldn't drink juice.
- c. Should he go outside? Yes. / No.

- a. He has an _____.
- b. He **should** / shouldn't go to the doctor.
- c. Should he listen to loud music? Yes. / No.

Let's talk! 🗣️

You **should** eat oranges every day.
