

Judy Lynch

10:12

Will we be able to charge this dinner gathering to the company credit card?

Nathan Lee

10:13

Unfortunately no. The company policy changed just last month. Only meetings conducted with clients during lunch or dinner can be covered as company expenses.

Judy Lynch

10:14

That's too bad. I guess we'll just have to split the bill this time.

Nathan Lee

10:14

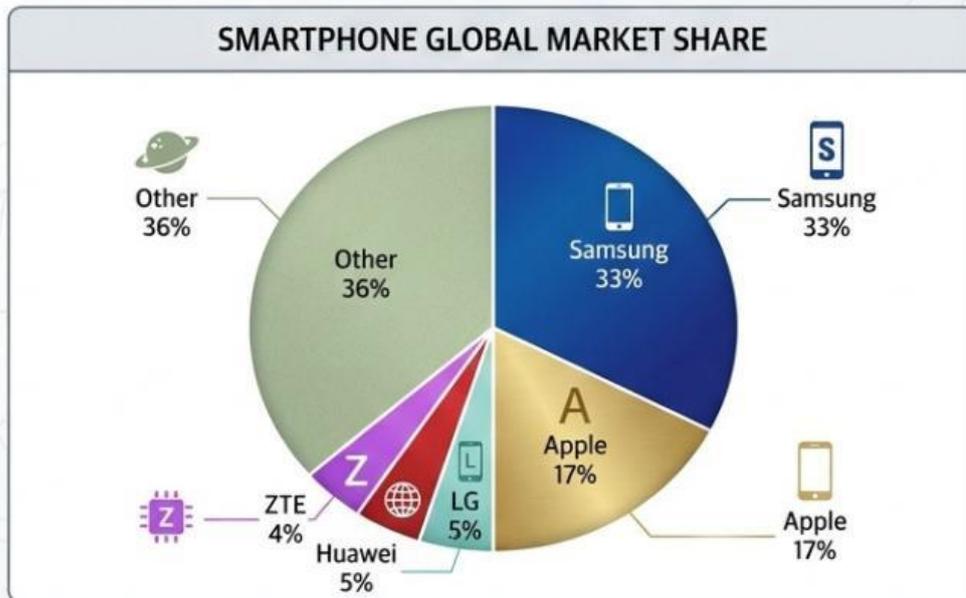

Yes, but at least you can go to any restaurant you want.

Judy Lynch

10:15

True. I'll let everyone know. Thanks!

ITEMS 39-40: This pie chart shows the smartphone global market share.

39. Which two named vendors combined have a market share that is equal to or less than the market share held by the 'Other' category?

- 1. Samsung and Apple 🍏
